

Public Information Release

February 8, 2012

Sergeant Steve Brooks, Public Information Officer

A Parole search conducted by the Sheriff's Narcotics Task Force resulted in two arrests and the seizure of methamphetamine, digital scales, packaging materials and 14 hypodermic needles.

On Saturday February 4, 2012 at approximately 12:10 pm, narcotics detectives and a sheriff's narcotics detection K9, conducted a parole search on 41 year old Richard Lynn Parker of Lucerne. Once inside the residence, detectives contacted Parker and 33 year old Lisa Therese Lundquist of Upper Lake.

During a search of the outside of Parker's residence, which is located on Roland Dr. in Lucerne, the narcotics detection K9 alerted to a vehicle belonging to Lundquist. Once the K9 had access to the inside of the vehicle it alerted again on two lock boxes which were behind the front seat. Detectives opened the boxes where they located methamphetamine, several hypodermic needles, digital scales, and packaging materials.

Lundquist was arrested for possession of a controlled substance for sale, possession of a hypodermic needle and for being under the influence of a controlled substance. Parker was arrested for being under the influence of a controlled substance. Both Lundquist and Parker were transported to the Lake County Hill Road Correctional Facility and booked.

The Sheriff's Narcotics Task Force will continue its efforts to eradicate narcotics from the communities of Lake County and seize the suspected profits of drug trafficking for asset forfeiture whenever possible. Anyone with information that can assist the Task Force with this effort is encouraged to call the anonymous tip line at 263-3663
