

Fires, Floods, Earthquakes & Volcanoes, oh my!

And, what can we do about them, and the many other events that can make our lives difficult?

Lake County Sheriff's Office of Emergency Services is coordinating the revision of the County's Hazard Mitigation Plan.

We're looking for citizens to get involved in this important process!

The Planning Team will meet: Wednesday, July 12th
@ 2 p.m. in the Lake County Board of Supervisors
Chambers.

A Public Meeting will be held at Kelseyville High
School Activity Center that evening, @ 6:00 pm.

The public is invited to both meetings!
