1) **As a boat owner I understand that mussels can travel on and in boats.** □
2) **I know that mussels can harm wildlife, and ruin docks, ramps, water pumps and intakes.** □
3) **Wet vessels can be transporting the microscopic larval form of mussels.** □
4) **When I take my boat to an out-of-county lake I need to have it re-screened before I launch in Lake County.** □
5) **I understand that cleaning, draining and drying my boat and trailer between launches is the best safeguard against transporting mussels and other invasive species.** □
6) **I understand that the introduction of these mussels would be devastating to the county's economy.** □
7) **As a boat owner I want to do my part to keep Lake County "mussel free".** □
8) **I understand that the stickers are good only for the calendar month and/or year specified** □

- I, hereby, swear that the information I provide in the screening process is true. I understand that if my vessel is found to be responsible for such invasive species entering Lake County waters, I will be held legally and financially responsible to the full extent of the law. By signing this and displaying the required stickers on my watercraft and trailer, I agree to the statements above, and agree to follow all required procedures prior to using any Lake County waterways.
